Sub: Extension of approval to Meenakshi College of Engineering, No. 12, Vembuliamman Koil Street, Virugambakkam, Chennai (new permanent site) for the year 2005-06-reg.

Sir/ Madam,

I am directed to state that based on the request made by the institute, recommendation of the State Govt., Expert Committee visit report and the affidavit submitted by the institute stating that the entire building required for the college will be completed within a period of two months from 20.07.2005 and that in the event of non-fulfillment of the categorical undertaking given by the trust (Meenakshi Ammal Trust, Chennai) as aforesaid the AICTE, New Delhi will be at full liberty to withdraw its approval for shifting the above said college to Virugambakkam, Chennai and direct its re-location at Malliankaranai Village, Uthiramerur, All India Council for Technical Education (AICTE) hereby accords its approval to Meenakshi College of Engineering for change in its permanent location from **Malliankaranai Village, Uthiramerur** to **No. 12, Vembuliamman Koil Street, Virugambakkam, Chennai - 600 092 .**

Further, I am to state that **All India Council for Technical Education** has been mandated under the AICTE Act, 1987 to ensure **maintenance of norms and standards** with regard to technical education in the country. In exercise of this mandate, the Council insists on fulfillment of the minimum requirements prescribed for imparting technical education by the institution so that **quality of courses** is not compromised and stakeholders are satisfied. The Council also undertakes an **annual Inspection** of the institutions and conveys deficiencies to them for **rectification.**

It has been observed however that notwithstanding the Council's **repeated advice** to comply with minimum norms and standards, many institutions continue to be **complacent** about taking steps to remedy the deficiencies.

Such institutions suffer from **critical deficiencies** of faculty in proper cadre ratio, qualification, experience and other requirements. Feed back of students with regard to quality of education imparted by such institutions has evoked grave concern. The Expert Committees, following **holistic appraisal** during inspections, have also pointed out severe shortcomings

The institution has been found to be suffering from several deficiencies, which are listed in **Annexure-A** for your perusal. Shortage of faculty is of gravest concern.

The deficiencies in respect of faculty (including proper cadre ratio & qualification etc.) could have rendered your institution liable for punitive action including being placed in no admission/ reduced intake category. However the Council has decided to take a lenient view and give you yet another **last opportunity** to rectify the deficiencies particularly with regard to faculty shortage, proper cadre ratio & requisite qualification. Course-wise approved intake in respect of **Meenakshi College of Engineering, No. 12, Vembuliamman Koil Street, Virugambakkam, Chennai,** for the year 2005-06 is as under: -

COURSE (S)	APPROVED INTAKE 2004-05	APPROVED INTAKE 2005-06
Computer Science & Engg.	60	60
Electrical & Electronics Engg.	60	60
Electronics & Comm. Engg.	90	90

Note: - Additional intake/new courses/PIO quota not granted on account of deficiencies in respect of running existing courses/intake.

The above approval is subject to verification of the infrastructure and facilities created at the new permanent site by physical inspection at the end of two months from the date of issue of this letter. A compliance report indicating rectification of deficiencies and details of faculty recruited for each course must be received by the Council, with a copy to concerned Regional Officer latest by **31st August, 2005** to entitle your institution for **extension of approval** for the year 2006-07.

The compliance report must be accompanied with a **visiting/processing fee as** prescribed by the Council in the form of demand draft in favour of **Member Secretary, AICTE payable at New Delhi** In the absence of the processing/visiting fee, the compliance report may not be entertained.

Following the compliance report, the Council would verify the status in respect of rectification of deficiencies through physical inspection without any prior intimation. The institution should therefore be prepared for random inspection without any prior notice. Extension of approval for the year 2006-07 shall be dependent on the compliance report and the outcome of the surprise inspection.
