STUDENTS ACTION TAKEN REPORT
2022-2023

STAKEHOLDER:		STUDENTS
No. of. Responses:		1255
S.No	Resolution	Action Taken
1.	Require further hands-on experience and application-oriented expertise.	Arranged a conference on the utilization of specialized concrete on November.
2	In addition technical programs can be carried out.	External trainers provide placement classes for Python and Java training.
3	Request to increase in the number of hours allocated for placement training.	Training courses were conducted to provide placement preparation, which included reasoning and aptitude workshops.
4	It is recommended to offer training and additional development opportunities to students.	Training in C programming is offered for placement purposes.
5	To Arrange Ro facilities in Each floor	Existing in 3 floors Purchase order has been initiated for other floors

ALUMINI ACTION TAKEN REPORT
2022-2023

STAKEHOLDER:	ALUMINI	
No. of Responses:	65	
S.No	Resolution	Action Taken
1.	Suggested to include testing courses in the syllabus	Chosen Testing and Measurement Systems as one of the electives in 2021 regulation for 5 th semester
2	Suggested to conduct industrial talk series by experts	Organized a seminar on Embedded System .
3	Suggested to conduct seminar on Python and IoT	Organized a seminar on "Python IoT" on April 2023.
4	Suggested to take care of the student's activities	Disciplinary Committee is formed and student's activities are monitored continuously and subsequent actions have been taken regularly.

FACULTY ACTION TAKEN REPORT
2022-2023

STAKEHOLDER:		FACULTY
No. of. Responses:		92
S.No	Resolution	Action Taken
1.	It is recommended to increase the duration of the seminar.	Seminar hours are incorporated into the instructional schedule.
2	Students require further training that prepares them adequately for the demands of the industry.	Facilitated industrial visits and promoted student participation in internships.
3	Additional Academic instruction should be provided to students who have difficulty learning at a regular pace, and increased opportunities for engagement should be implemented.	Faculty advisors provide additional attention and support to slow learners in order to facilitate their learning and encourage academic progress.
4	It is recommended to offer pupils with practical experience.	Hosted a webinar on the advanced applications of fluid mechanics in civil engineering on December 19, 2022.
5.	To Provide new software training Related to Industry.	Organized a Seminar and Training Classes on Software like Revit, Autocad. Grasshopper.

EMPLOYER ACTION TAKEN REPORT
2022-2023

STAKEHOLDER:		EMPLOYER
No. of. Responses:		12
S.No	Resolution	Action Taken
1.	Proposed to enhance the communication between the institute and the students'	Regular feedback will be gathered in relation to this matter.
2	Importance of acquiring knowledge through conceptual-based learning and comprehension	Placement classes cover fundamental engineering principles.
3	It is recommended to offer practical classes on the website.	Arranged a site visit to a ready mix concrete company
4	It is recommended to motivate the kids to engage in additional activities outside of their regular academic curriculum.	Students are strongly encouraged to participate in both internal and external tournaments.
5	Exposure to competition in the real world	A symposium was organized with the aim of enhancing their competitive abilities.
